

# **CITYWIDEYOUTH**

Dear Parents,

Thank you for clicking the link and showing interest in our youth ministry. We at City Wide Youth are here to partner with you and see your young person walk in the fullness of God.

City Wide Youth consists of a fantastic youth program on Friday nights, connect groups during the week and Impact on Sunday mornings run alongside our 10.30am service.

City Wide Youth aims to provide a positive peer environment for your young person to thrive. We want to see them experience Jesus personally in their lives. We want to see them live out a Godly lifestyle and not be influenced by this world but rather them be the influence to those around them.

We see young people breaking out of moulds, being a light to dark world and person of prayer and intimacy with God.

## **CWY Vision**

To raise up a generation of Young People who know who they are in Christ Jesus. A generation who are relentless pursuers of God. That continually reach out beyond themselves to those who do not know Christ. To operate in the gifts God has given them. That miracles and healings are common at CWY. A generation of prayers that will usher in the presence of God every week. A generation that lives to stand out. A generation who know the Word of God; Walk in Faith, Run with Fire and Live in Freedom.

## **What we do**
